**General Purpose Anti-Slip**

**Conformable Anti-Slip**

**Fine Resilient**

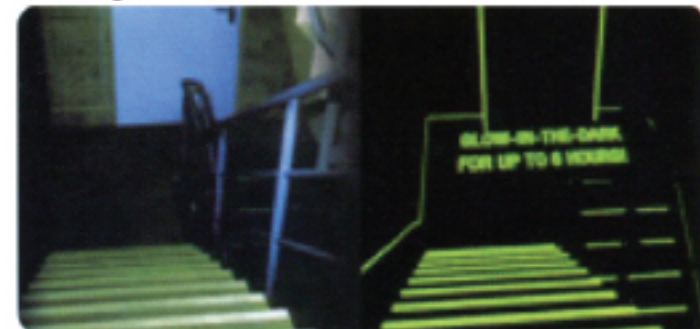

**Medium Resilient**

**Anti-Fatigue Mat**

**Safety Walk Lite**

Category	Model No./Colour	Applications
General Purpose Anti-Slip	610 Black, 620 Clear, 630 Safety Yellow	Stairs, ramps, loading docks, entrances and other wet areas.
Conformable Anti-Slip	510 Black, 530 Safety Yellow	Stairs, ladders, loading ramps, platforms, irregular surfaces like diamond plate.
Fine Resilient	220 Clear	Showers, tubs, around hot tubs and pools.
Medium Resilient	370 Grey	Locker rooms, around hot tubs and pools, exercise equipment.
Anti-Fatigue Mat	5100 Ebony, 5270 Black	Food service areas, industrial locations, commercial areas.
Safety Walk Lite	Black with Luminescent Strip	Emergency exits, escape routes, night clubs and work areas.

**Outdoor Matting**

The building's first line of defence against dirt tracking

**Indoor Matting**

Removes the remaining dirt and moisture after the outdoor matting installation

**Wet Area Matting**

Increase floor safety because mats are kept drier than surrounding wet areas

**Safety-Walk™**

Enhance floor safety by preventing slips and falls at entrances, walkways, work areas and other floor areas
